PURPOSE AND PROGRAM

The theme for our camps this year is "Fan into Flame the Gift." The greatest gift God has given to all is forgiveness and life eternal. In this life each person has been given a set of skills. Building up these mental, physical, emotional, and spiritual skills/gifts is the aim of our camp, where we will strive to "fan into flame":

- ★ sound, fundamental basketball skills
- ★ the importance of team play
- ★ a love of the game of basketball

Our camps accomplish this by teaching and reinforcing basketball skills through instructional stations. Individual skills and team concepts are then tested and reinforced in a fun and competitive Christian atmosphere through individual skills contests, half-court 3 on 3 contests, and full-court games of 5 on 5.

Our camps will stress the fundamentals. Man-to-man defensive concepts will be taught including defending on the ball, playing help defense, and

boxing out. Offensive skills of passing, catching, dribbling, shooting, and rebounding will be taught. In addition, the camps will emphasize offensive play without the ball, such as movement, screening, and spacing.
